THE ARTIST

A frequency carried by lineage.

SHORT BIO

Sainte Soher is a Moroccan-American DJ and ceremonial artist based in Playa Venao, Panama. Her sound — melodic, hypnotic, ethnic, ethereal — weaves African tribalism with otherworldly harmonics.

LONG BIO

Moroccan-American artist Sainte Soher was originally born in Denver, USA and is now based in Playa Venao, Panama. Having traveled the world to trace her lineage and unearth spiritual truths, Soher embarked on a path of transformation and strives to translate her Soul's story through her music.

Her unique frequency comes from a deep calling to awaken and empower every soul that dances with her along the journey, leaving her listeners with flavors of love and peace.

With deep elements of African tribalism and harmonics that reach into other worldly realms, her sets are designed to take you on a journey through the whole spectrum of human rhythm and Universal frequencies — weaving together Organic, Melodic and Progressive textures.

Off the dance floor she studies ancient wisdom, teaches yoga, meditation and facilitates sacred plant healing ceremonies.
